**YOUR SCOUTING NEWS  
FROM ACROSS THE COUNTY**

## CC CHAT

A slightly belated Happy New Year to you all! I hope you had an excellent festive season and are all back into Scouting again refreshed!

There is, as ever, information about a whole range of things in this edition of The Ox. I would note specifically the information about EuroJam which looks to be a fantastic event in summer 2020. Oxfordshire is sending 90 people to what is a very cost effective international camp being held in Poland. Of course we will be open to consider support for anybody who would struggle to be able to go because of cost.

The 2019 County Raffle is also almost ready to launch. The tickets have been ordered and we will shortly be sending them out to everyone for a three month selling frenzy. This should be an easy fundraiser for all groups and units and I hope most of you will be taking part. There are some really great prizes on offer! If you've not heard about it, drop me a line.

You'll also see that we are starting the search for a couple of vacancies in the County team, including someone to lead the team that will deliver the next County Camp in May 2021. I should also let you know that Shaun Kendall has decided to step down as Deputy County Commissioner (Adult Support) as has Martin Richards as District Commissioner (Thames Ridge) and we will be starting the search for their replacements soon. They have both done fantastic jobs and I'm grateful for all they have done and achieved. Of course you will also have seen the search has started for my replacement and I hope that you are all considering who to nominate to be your next CC.

The Oxfordshire Gang Show will be with us in a couple of weeks' time with more than 100 young people from Scouting and GirlGuiding taking part. Do go along and support them, I'm sure you'll have a great evening. I will be there with the County team and representatives from the County's civic community on the Thursday night – hope to see some of you there.

Phil Earl

## CC SEARCH

The future of Scouting in Oxfordshire is in your hands! As Phil announced before Christmas, he is stepping down as CC in July. The search is on for the next CC.

Are you, or do you know, someone who can:

- Inspire and enthuse
- Apply strategic thinking to a challenge
- Build and lead a team of key volunteers
- Be resourceful and energetic
- Believe passionately about developing young people and volunteers in your area?

The role of County Commissioner is rewarding and an opportunity to develop yourself or someone you know. You could have the opportunity to meet young people and adults, whose lives have been changed by Scouting, and to inspire and help Districts and Groups grow and deliver even more exciting and adventurous activities to even more young people.

As a County Commissioner you could be responsible for ensuring support and leadership of the District Commissioners and wider County team in Oxfordshire. In turn you would be comprehensively supported by your Regional Commissioner, Area Growth and Development Manager & Officers, other County Commissioners and key volunteers from across the County.

You can view the full role description and application pack [here](#)

Take the survey here!

## JACK HILL AWARD

The award is for anyone who has shown the quality of courage in the face of difficulty physically or mentally during last year. Individuals do not have to have achieved high levels of badgework but to have truly enjoyed Scouting through their attendance, willingness to help and their interaction with their fellow members.
